## MAARIF IN THE WORLD

The Turkish Maarif Foundation, covering all levels of education, has become a prestigious global institution over its 9 years of existence, providing high-quality education. It operates in 64 countries worldwide, more than 500 schools, 2 universities, 14 educational centers, and over 100,000 active students.

To ensure high-quality education for our students in the modern era, it is especially important to provide and develop educational tools and resources, including:

- Professional teachers who work with students with full dedication;
- Rich and level-appropriate curricula;
- Effective foreign language programs;
- Efficient teaching strategies, techniques, and methods;
- New technologies and their precise application for distance learning and digital platform materials;
- Contemporary learning environments, a friendly climate, and inclusive opportunities where everyone is welcomed and valued.

## WHY SHOULD YOU CHOOSE MAARIF SCHOOL?

International Maarif Schools of Kosova, with the country's best teaching staff, implement advanced educational methods and high technical standards in their classrooms. Through digitalization via the e-Maarif system and mobile applications, parents can easily access information about lessons, attendance, assignments, payments, and more.

The International Maarif Schools of Kosova focus on preparing students to pursue higher education at the world's most prestigious universities. Our Maarif graduates – not only in Kosova but also in countries such as Türkiye, Canada, Italy, Germany, Hungary, Albania, and North Macedonia – continue their studies successfully. In addition, the International Maarif Schools of Kosova support upper-secondary students in their career development through a comprehensive tracking and guidance system.

**Students also have opportunities to continue their studies with scholarships at renowned universities worldwide. And the best part – Maarif graduates can study free of charge at state universities across Türkiye!**

# VALUE IN EDUCATION!

## Vision & Mission

Providing high-quality, inclusive education in Kosovo as part of a pioneering and trusted international institution. Our mission is to raise well-rounded individuals, inspired by the common heritage of humanity, the Anatolian tradition of wisdom, and the cultural-historical values of Kosovo.

## Values

- Trust
- Cooperation and Solidarity
- Transparency
- Qualification and Merit
- Inclusivity
- Respect
- Universality
- Mercy
- Sustainability
- Scientificity
- Quality

# THE FUTURE STARTS WITH US

Established in 2017, the International Maarif Schools of Kosovo provide high-quality education from preschool to high school in both Prishtina and Prizren campuses.

From Kindergarten to Grade 12, students learn English as their first foreign language and Turkish as their second foreign language, fostering multilingual communication skills from an early age. At the preschool and primary levels, the main language of instruction is Albanian, while from Grade 6 onward, the teaching language is English, preparing students for academic excellence in an international environment.

# SCHOOL PHILOSOPHY

International Maarif Schools of Kosovo is founded on an educational philosophy centered on nurturing good individuals.

## The “good individual” that IMSK aims to cultivate:

- Thinks in a critical and analytical way;
- Embraces a scientific vision;
- Respects the environment, living beings, and human life;
- Is conscious of society, culture, and history;
- Honors their surroundings, country, and community;
- Respects cultural diversity;
- Upholds the values of justice and respect;
- Strives to build a peaceful and sustainable world for future generations.

“Maarif” schools organize various activities to develop socio-cultural skills, including:

- Visits to cultural and historical sites;
- Participation in educational clubs and study projects;
- Contributions to school magazines, musical and theatrical performances;
- Sports activities and tournaments;
- Seminars, conferences, symposiums, fairs, and exhibitions.

# SUPPORT PROGRAMS

Positive relationships between parents, students, and teachers form the foundation of our learning environment.

Our comprehensive learning program includes a wide range of clubs – such as the Football Club, Solidarity Club, Cultural Heritage Club, Origami Club, Agora Club, Bio Explorers Club, Language Club, Art Club, Logic Games Club, Crafts Club, Music Club, Folklore Club, Table Tennis Club, and Archery Club, among many others – offering numerous opportunities for creative, intellectual, and social development.

In addition, students can join engaging and enriching activities such as Global Citizenship, Debate Club, AI Club, Chemistry FUN, Life Lab, Public Presentation & Journalism, Life Skills, Logic Game Club, and Art & Music programs.

**Among the supportive programs offered by “Maarif” schools is the MAGIS Scholarship, which provides preparation for fully-funded education up to 100%.**
